the Lightning Program

Quality and Value in a Flash!

Our Green Solution

Overview

Want high quality products at a value price, all within a few days? Our Lightning Program offers a superior selection of systems, seating, storage, casegoods and accessories at unbeatable price points and accelerated lead times. Our Panel Systems, seating, and Casegoods are all shipped in just five business days! Our products are held to a high level of excellence so you never compromise quality. We have everything you need for your office space in a flash!

Warranty

All of our new and remanufactured system products are covered by a lifetime warranty for the original purchaser. Our Elevation Series seating is covered by a lifetime warranty on components for the original purchaser. Our Value Series seating is covered by a 10-year warranty on components and a 5-year warranty on foam/textiles for the original purchaser. Our casegoods are covered by a 10-year warranty for the original purchaser from defects in material and workmanship. See our Warranty Statement for additional details.

UL-Approved

We take an active interest in the safety of your workplace. Every fabric we use is class A fire rated and our new and remanufactured products are approved by Underwriters Laboratories Incorporated. Many insurance policies have clauses limiting the insurance company's liability in the case of a claim due to the failure of a non-UL-listed device.

Protect your investments by making sure the product you buy is UL, BIFMA and NEC-approved.

Terms & Conditions

1. Orders are limited to $150,000 list price or less for shipment in five business days.
2. Orders must be placed by 4:00 p.m. EST; the five days will start the next business day.
3. Once order is placed, revisions and cancellations are not applicable. Order will be auto approved.
4. Terms: Net 15 days. No deposit required.
5. Orders over $2,500 Net receive free shipping.
6. Orders are for office systems only - individual components do not apply to Lighnting Program.

Our Green Solution

Though Open Plan Systems has become a leader in manufacturing new systems furniture, we are proud of our roots in remanufacturing. Remanufactured stations typically provide up to 40% savings off the cost of new, though they are held to the same standards of quality and durability. If you are looking for a green solution for your office, or simply need to maintain a lean budget, our Sustainability Programs are a great fit! The Lightning Program is included in our Green Solution.

POWER

NOTE: Please refer to our Installation Manual for Electrical details.

CF24WY shown in Right picture.

Ceiling Power

Description:

Ceiling power entry connects a ceiling's electrical supply to the end of a frame run. It distributes up to 4 20-amp circuits. The power entry has a 10'-high pole that can be field cut to the appropriate length, ceiling trim, connecting hardware, conduit, and a factory-installed electrical harness. The V2 power entry plugs into the end of the harness; V1 plugs into a receptacle location. The power entry is UL listed.
